

# GEORGETOWN SOUTH PROJECT INFORMATION RELEASE

## Weston Office Now Open!

On Thursday, August 12, we officially launched our Weston Community Office (1631 Weston Road). About 100 neighbours joined us to officially open the new Community Office for the Georgetown South Project. Local community caterer, Frontlines, provided the food and refreshment for the event. Leftovers were donated back to the community through Frontlines' outreach program. Attendees were encouraged to join our distribution list and were eligible to win a \$25 gift certificate to the Weston Farmers' Market.

Our Community Office is the first point of contact for the community to learn more about the Georgetown South Project. The office is staffed by our Weston Community Relations team, led by Kathryn Hanford and her team: Amna Basit, Kelly Thornton and Mark Iogna. The team is here to answer questions and concerns during the design and construction phases of this project. We want to make sure that the local residents and businesses are up to date on the project progress and understand what will happen over the next few years.

Please drop by our office to say hello and to ask questions or share concerns you may have about the project.

### **Our office hours are:**

Monday–Wednesday, Friday: 8:00 a.m. – 5:00 p.m.

Thursday: 10:00 a.m. – 8:00 p.m.

Thank you to the members of the Weston community who took the time to join us in celebrating the official opening of our Weston Community Office!
