

GEORGETOWN SOUTH PROJECT WALKING TOUR

The Georgetown South (GTS) Project will improve rail infrastructure to meet existing GO Transit ridership demand and future increased service. Through track sharing, it also allows for a new Air Rail Link (ARL) between Toronto's Union Station and Pearson International Airport.

Denison Underpass: *A Glimpse into the Future*

Date: Friday, October 21, 2011

(Rain Day: Monday, October 24, 2011)

Time: Noon to 1:00pm

Meeting Place: Weston Community Office, 1631 Weston Road

Join us as we walk and talk!

Learn about various aspects of current and future construction for the Denison Road Underpass, what machinery is on site, as well as the stages of construction and how this may impact you.

Part of a series, these tours will take place each month between April and November. If you are interested in participating in this tour or signing up for a future tour, please email gts@gotransit.com or contact the Weston Community Office.
