

GEORGETOWN SOUTH PROJECT WALKING TOUR

The Georgetown South (GTS) Project will improve rail infrastructure to meet existing GO Transit ridership demand and future increased service. Through track sharing, it also allows for a new Air Rail Link (ARL) between Toronto's Union Station and Pearson International Airport.

Strachan Avenue Overpass: *A Glimpse into the Future*

Date: Wednesday, October 26, 2011

(Rain Day: Thursday, October 27, 2011)

Time: Noon to 1:00pm

Meeting Place: Strachan Community Office, 901 King Street West

Join us as we walk and talk!

Learn about various aspects of current and future construction, discuss the overpass design, as well as the stages of construction and how this may impact you. Bring your questions and your running shoes!

Part of a series, these tours will take place each month between April and November. If you are interested in participating in this tour or signing up for a future tour, please email gts@gotransit.com or contact the Strachan Community Office.
