RE: GO Georgetown EA Terms of Reference (ToR)

Dear Stakeholder:

As you are on our Public Mailing List for the above-noted project we wish to inform you that GO Transit has agreed to push back the submission of the EA Terms of Reference to the Ministry of the Environment for a decision on approval to proceed with the study until early October 2006. The purpose of this is to allow the public additional time to review and comment on the draft Terms of References and allow for a continuation of the June meeting held at the Faith Sanctuary on June 21st, 2006.

We would appreciate your comments on the draft Terms of Reference by August 11, 2006. This will allow the Project Team to address most of the substantial comments from the public and agencies in a timely fashion. Any additional comments arising from the continuation of the June meeting held at the Faith Sanctuary will also be considered before we complete our final Terms of Reference document. Copies of the draft Terms of Reference can be obtained on the project website (www.georgetownpearsonstudy.ca) or can be reviewed at the Toronto Reference Library, Black Creek Library, Weston Public Library, Mount Dennis Public Library, or Rexdale Public Library.

The continuation of the June 21st, 2006 meeting will be held on Wednesday, September 13, 2006 at the Faith Sanctuary (1901 Jane Street) starting at 6:30 pm. Following this session, we will review and consider any additional comments received, complete the Terms of Reference and then submit it to the Ontario Minister of the Environment for a decision on approval to proceed with the study. As part of the approval process, the Minister will initiate an additional public and agency review of the document prior to making a decision. This will provide another opportunity for public input.

We thank you for your interest in the study and look forward to your continued involvement. Comments on the draft Terms of Reference can be submitted either through the project website or to:
