

**MINISTER'S NOTICE TO  
PROCEED WITH TRANSIT PROJECT**

**Ontario Regulation 231/08**

**SUBSECTION 12(1)(a)**

RE: Proponent: GO Transit and Metrolinx

Project Description: GO Transit and Metrolinx are proposing to expand GO rail services by twinning approximately 25 kilometres of the existing Canadian Pacific Railway line from the Town of Whitby to the Municipality of Clarington. The project will also include a maintenance facility yard in the Town of Whitby, four GO stations, one future potential GO station and a train layover facility within the Municipality of Clarington.

In accordance with subsection 12(1)(a) of Ontario Regulation 231/08, I hereby give notice allowing GO Transit and Metrolinx to proceed with the Oshawa to Bowmanville GO Train Service Expansion transit project in accordance with the applicable environmental project report.

GO Transit and Metrolinx are now permitted to issue a statement of completion of the transit project assessment process. A statement of completion is the final part of the transit project assessment process. The process must be completed prior to the start of the construction phase of the project.

Dated the 20<sup>th</sup> day of March, 2011 at TORONTO.

  
Minister of the Environment
