

RICHMOND HILL CONSTRUCTION UPDATES

In the last few months, we've made a number of changes at some of our stations including updating amenities, enhancing accessibility, and making it easier to access GO services.

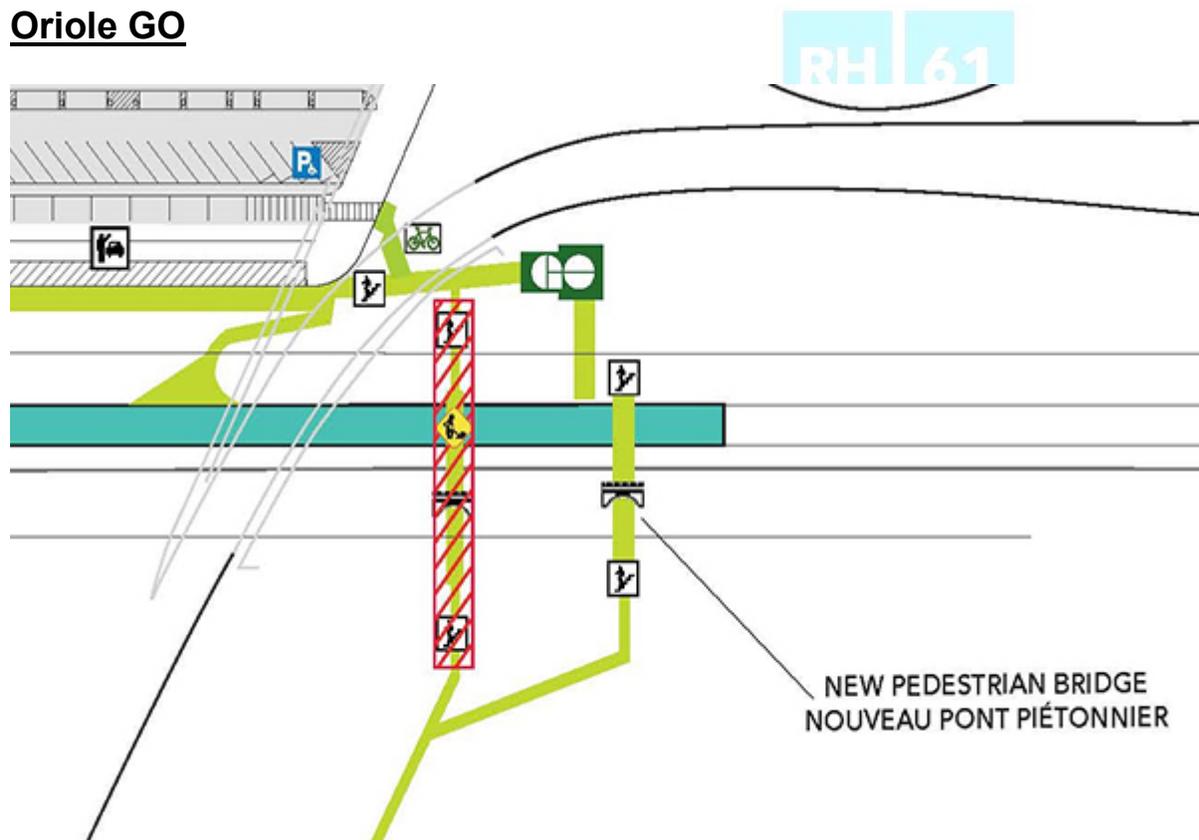

GO Expansion will increase the frequency and number of GO trains across our network, reduce congestion and connect a growing region with fast, reliable transit options to get you where you need to go.

[Learn about more service and improvements planned for your corridor at metrolinx.com/richmondhill-go-expansion](https://www.metrolinx.com/richmondhill-go-expansion)

What's Changed

Oriole GO

NEW PEDESTRIAN BRIDGE
NOUVEAU PONT PIÉTONNIER

Improvements Made:

- New pedestrian bridge

Oriole GO

Union Station

Customer Impacts:

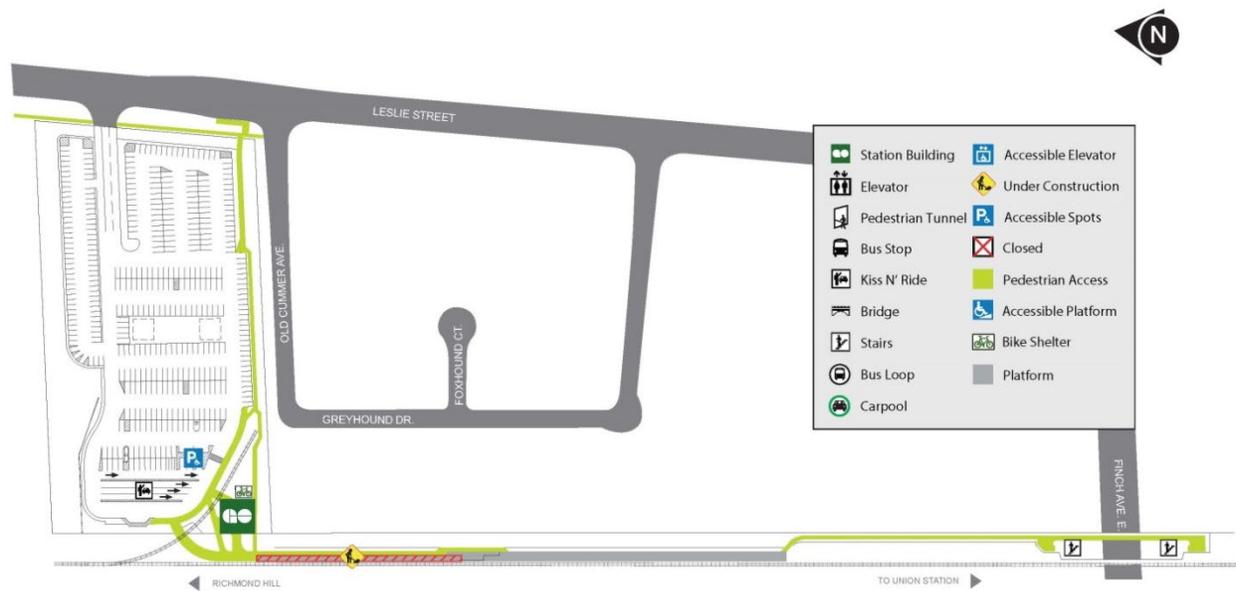

- The pedestrian bridge north of the station building is closed permanently.
- Please follow signs to use the new pedestrian bridge located just south of the station building to cross the tracks safely.

Completion Date: July 2020

What's Changing

Old Cummer GO

Construction Map

Work Completed/In progress:

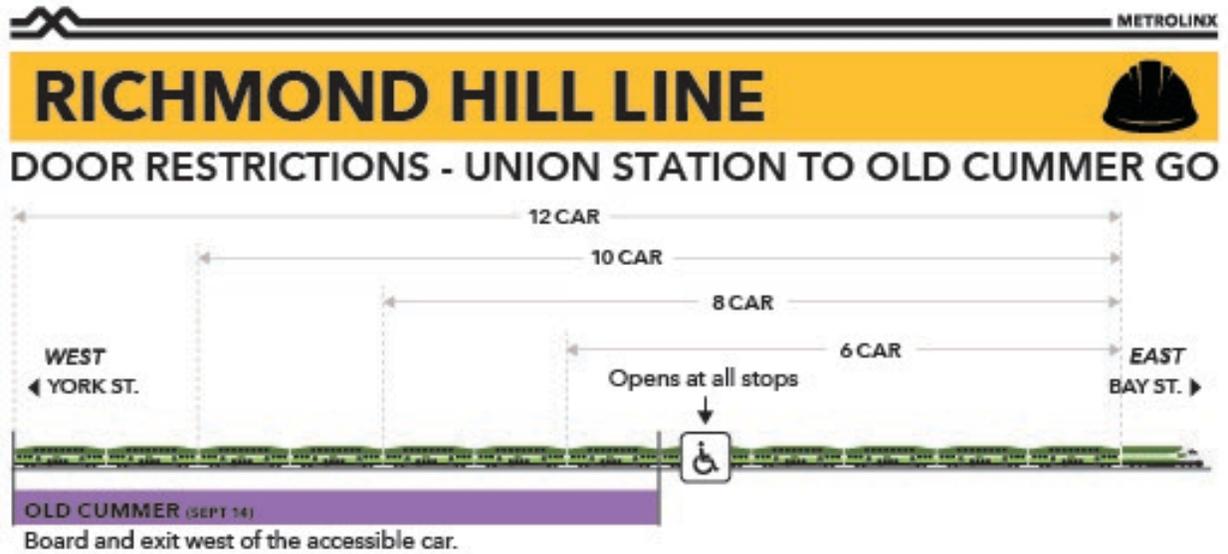

- New yellow safety tiling on the train platforms
- New digital signage on train platforms

Current Customer Impacts:

- Starting September 14, the North half of the platform will be closed to install tactile yellow safety tiles and digital signs.
- Please use the South side of the platform to board your train until further notice.
- If you need the accessibility coach, please wait at the accessibility ramp to board the train.
- Look for signs to show you where to stand and remember to spread out along the platform to help keep everyone safe.

- Not all coach doors will open at Old Cummer GO. Please listen to the announcements on your train or ask a customer service ambassador for assistance if you need it.

Bloomington GO

Langstaff GO

Old Cummer GO

Oriole GO

Union Station

As part of GO Expansion, the all-new Bloomington station in York Region at Highway 404 and Bloomington Road will provide you with more service options on the Richmond Hill line. The station will have ample parking for vehicles and bikes as well as a passenger drop-off and pick-up area, keeping your commute as easy as possible. You'll also enjoy modern waiting areas complete with heated shelters and parking for electric vehicles.
