These terms govern your purchase and use of GO Transit web-based ticket(s) or pass(es) (“e-tickets”) from Metrolinx at our GO Transit e-ticket mobile purchase website located at <https://tickets.gotransit.com> (the “website”). By purchasing an e-ticket you confirm that you have reviewed and accepted the terms applicable to use of the website located at <https://tickets.gotransit.com>.

Purchasing E-tickets

Each e-ticket is sold subject to Metrolinx policies and By-Laws located at www.gotransit.com/en/policies. Each e-ticket is valid for use of the specified GO Transit services in accordance with these terms and is non-transferable. GO Transit fares, schedules, trip information and other information and terms applicable to travelling with GO Transit is available at www.gotransit.com/en/policies. Additional sale restrictions may apply as indicated on the website, including any restriction on the number of tickets that you may purchase. GO Transit e-tickets may not be used to travel on UP Express or to Pearson airport. UP Express tickets may be purchased at www.upexpress.com.

Method of Payment

By purchasing one or more e-tickets you authorize us to charge your applicable payment card or account for the purchase price of the e-ticket(s), including any applicable taxes or other charges. E-ticket payments are processed by Mozio, Inc. under contract by Metrolinx. We require that to purchase e-tickets on the website must be the cardholder of the applicable card or the account used to complete the purchase. If your card is rejected by the card issuer, or your payment is otherwise not processed, your e-ticket will not be emailed to you and Metrolinx will have no obligation to fulfill your order. Orders are processed only after billing address, and other billing information, has been verified.

E-ticket Confirmation

After completing your purchase, we will send a confirmation e-mail to the e-mail address you provide at the time of purchase. It is important that you do not delete this email, as it will contain links to your e-ticket(s). If you do not receive a confirmation number (in the form of a confirmation page or email) after submitting payment information, or if you experience an error message or service interruption after submitting payment information, it is your responsibility to confirm with GO Transit Guest Services whether or not your order has been placed (see contact details above under “Customer Service”).

Using GO Transit E-tickets

Printed copies of e-tickets will not be accepted as a valid fare. To use your e-ticket or pass, you will need to be able to access the confirmation e-mail using your smartphone and an internet connection (data or a Wi-Fi). You must activate your e-ticket before you board by clicking on the ticket(s) or pass links in your confirmation email from your smartphone. Allow five minutes for your ticket to activate. Once activated, single-ride tickets are valid for four hours, and passes are valid during service hours on the day of activation. Each e-ticket has unique ticket number and you must display this identifier on your smartphone to a GO Transit fare inspector on request. Please note that at the time of fare inspection you must be connected to a data or a Wi-Fi network.

Ticket Availability and Expiry

E-tickets expire one (1) year from date of purchase unless otherwise indicated. Once purchased, e-tickets are available for use immediately. If you lose or delete your confirmation email or otherwise lose access to your e-ticket, you may contact GO Transit Guest Services in order to retrieve your e-tickets following a verification process (see contact details above under "Customer Service").

Refunds and Credits

E-tickets are not refundable and have no redeemable cash value. The GO Train Service Guarantee Policy applies to e-tickets. To request a credit associated with an e-ticket, contact GO Transit Guest Services.
